Dear Mr. Lemelin:

On behalf of the Warden and Council for the Municipality of the County of Pictou I enclose herewith a certified copy of a resolution recently adopted by Municipal Council with respect to the future of postal service in Canada.

Yours truly,

Encl.

SAVE CANADA POST – STOP THE CUTS

WHEREAS Canada Post and the Conservatives are taking an axe to long-treasured postal services – killing good jobs, eliminating door-to-door delivery, drastically increasing postage rates and closing, downsizing and reducing hours at post offices;

WHEREAS Canada Post did not properly consult on these changes, effectively eliminating any opportunity for input from the people who will be most affected; and

WHEREAS closing and downsizing post offices, reducing post-office hours, and eliminating door-to-door delivery will reduce service and eliminate thousands of jobs in communities throughout our country;

WHEREAS Canada Post offers a public service that needs to be protected;

BE IT RESOLVED that the Municipality of the County of Pictou write a letter to the Minister responsible for Canada Post that calls on the government to reverse the changes to services announced by Canada Post, and to look instead for ways to increase service and revenues in areas such as postal banking.

BE IT FURTHER RESOLVED that the Municipality of the county of Pictou ask the Federation of Canadian Municipalities to request that the federal government properly consult with the public about what kind of postal service they need before allowing Canada Post to make such major changes to public postal services.

DATED at Pictou, NS this 6th day of October, 2014.
