RE: Save Canada Post

Dear Minister Raitt,

The town is aware that Canada Post has announced a plan to change public postal services and the Federal government has endorsed this plan. These changes will come at a great cost to the residents of our municipality and the municipalities throughout Canada.

At this time the Town of Rocky Harbour requests that the Federal Government should properly consult with the public about what kind of postal service they need before allowing Canada Post to make such major changes. See the attached resolution from council.

Please help protect the public interest of our post office.

Sincerely,

Mayor Walter Nicolle
