Dear Mr. Lemelin:

As Mayor of the City of Fredericton, New Brunswick, I would like to add my name to the list of individuals and organizations asking Canada Post to reconsider its actions relative to the downsizing, reductions and downgrading of postal services to the citizens of Canada.

While I appreciate the need to be efficient, the postal service is one that is crucial to many Canadians, especially those without access to electronic media, those on fixed/low incomes or persons with mobility issues. I would ask the Minister to reconsider her position until a proper period of public consultation has been held to assess the impact of these changes on the Canadian Public.

Respectively Submitted,

BRAD WOODSIDE
-MAYOR-
