National Committee on RSMC Work Content and Workload

On July 4, CUPW and the employer signed a Memorandum of Agreement to establish a committee to review the work content and workload of RSMCs.

We need three (3) union representatives on this committee. Its mandate will be to determine and assess the RSMC work content and workload, allowing both parties to have informed discussions on future pay arrangements.

The ideal candidate would be:

- a member in good standing of CUPW;
- interested in the Route Management System (RMS);
- familiar with RSMC routes values, the Corporate Manual System (CMS), and health and safety rules;
- a team player;
- ready to relocate to Ottawa for the duration of the committee's mandate.

Application

Your application must be written as a report and include your degree of fluency in spoken and written English and French, proficiency with Microsoft Word and Excel, and your reasons for joining the committee. Applications must be received no later than October 4, 2019 at 11:59 p.m., by e-mail (lhogue@cupw-sttp.org) or by mail at the following address:
