Quebec Government Announces: Summer Day Camps Open – 2020!

Quebec summer day camps will open as of June 22 across the province, Quebec Premier Francois Legault announced on Thursday May 21, 2020.

Camp groups will be smaller in size, and have smaller counsellor-to-child ratios, with physical distancing directives in place.

We know this information is coming late, but want you to be able to register your school age child for this summer program.

We will work with the City of Mirabel, and the City of Mascouche to offer postal workers summer day camps for their school age children. Information on the City of Mascouche summer day camp is not yet available.

Members registering their children for these Summer Day Camps are entitled to a 35% rebate for the cost of enrolment.

Please call 1-888-433-2885 if you would like more information about these programs and what you need to get registered.
