TWO WEEKS LEFT: IT'S IMPORTANT TO VOTE!

Sisters/Brothers:

We are halfway through the ratification vote period, with many meetings left to take place over the next two weeks.

Information about the tentative agreements is presented at each meeting held for the vote so that all members can make informed decisions.

Please come out and vote! Encourage your coworkers to participate. It is crucial that every member of our union exercises the democratic right to vote on the contracts that govern our working conditions.

Be sure to check the ratification date information on your Local's bulletin board. You can also check the ratification schedules online at cupw.ca.

In Solidarity,

Mike Palecek
National President
