## URGENT – 2<sup>nd</sup> Call to CUPW Social Stewards

### Calling all CUPW Social Stewards!

The CUPW Child Care Fund needs your help to promote the **Special Needs and Moving On Projects** with members in your workplace.

The Special Needs and Moving On are projects of the CUPW Child Care Fund. The **Special Needs project** supports members with young children (0 – 18 years) who have special needs. The **Moving On Project** supports members who have primary care responsibility for their adult daughters and sons with disabilities.

### GETTING CONNECTED

To open good lines of communication between CUPW Social Stewards and our Special Needs Project Office we are asking social stewards to complete a simple online contact information form.

The process is safe, secure and simple.

English Link:

<https://form.jotform.com/210534640986257>

Click on the link and a form will pop-up. Input your contact information and hit submit.

Once we receive your contact information including your email address, we will send out Zoom Invitations for you to take part in one of a number of one-hour webinars to learn more about these projects and how you can help.

Solidarity,

Dave Bleakney  
2<sup>nd</sup> National Vice-President
