Dear Minister of Transportation:

The Council of the Corporation of the Township of Chisholm at its January 27<sup>th</sup>, 2015 meeting, passed Resolution 2015-32, copy attached.

This resolution calls on the federal government to reverse the changes to services announced by Canada Post, and to look instead for ways to increase service and revenues in other areas. Furthermore the Township of Chisholm asks the Federation of Canadian Municipalities to request the federal government to consult with the public about what kind of postal service they need before allowing Canada Post to make major changes to public postal service.

Council hopes you will give this resolution your utmost careful thought and serious consideration.

Respectfully,

Linda M. Ringler, A.M.C.T.  
Clerk-Treasurer

**RESOLUTION**

January 27<sup>th</sup>, 2015 Session, No.32

Moved by      Walter Ross

Seconded by   David Hodgins

Be it resolved that Canada Post Corporation has announced a plan to change public postal service and the Government has endorsed this plan; and

Whereas the Corporation has drastically increased postal rates and is planning on eliminating door-to-door delivery, closing and downsizing post offices, reducing post office hours, and eliminating thousands of jobs in communities throughout our country; and

Whereas Canada Post did not consult on these changes, effectively eliminating any opportunity for input from the people who will be most affected; and

Whereas Canada Post offers a public service that needs to be protected;

Now therefore be it resolved that the Township of Chisholm writes a letter to the Minister responsible for Canada Post that calls on the government to reverse the changes to services announced by Canada Post, and to look instead for ways to increase service and revenues in areas; and further be it resolved that the Township of Chisholm asks the Federation of Canadian Municipalities to request that the federal government consult with the public about what kind of postal service they need before allowing Canada Post to make such major changes to public postal service, and further that this resolution be forwarded to FONOM and AMO for endorsement.
