

Atlantic Delegates to Join The National Delegation to Cuba April 27 to May 4, 2024

February 21, 2024

The Atlantic's Resolutions Committee, which administers the Atlantic International Solidarity Fund (AISF) between constitutionally mandated meetings, has approved a resolution to fund four (4) delegates to join the 2024 National CUPW Delegation to Cuba this April. The Union's delegation will participate in May Day events, meet with Cuban postal workers, visit post offices and plants, participate in an International Solidarity conference, as well participate in cultural activities in order to gain a better understanding of the current situation in Cuba.

The AISF will be responsible for all delegate costs associated with airfare, accommodations, per diems, May Day activities, travel while in Cuba, and interpretation services. Selected applicants will be responsible for any additional costs, as well as for securing their leave from their employer and all lost wages.

All travel and accommodation arrangements will be made by the Union.

In order to be considered for this delegation, a member must:

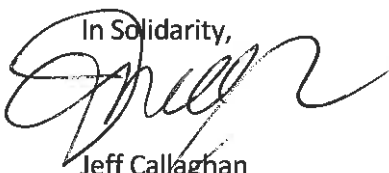

- Be in Good Standing with the Union
- Apply in writing, giving reason(s) why you would like to join this delegation, as well as any international solidarity experience
- Commit to providing a report on the delegation (written and/or verbal) to their local and region

Delegates will be selected by the Regional Executive Committee from applications received no later than Friday, March 22, 2024. Please send your application to the Canadian Union of Postal Workers:
