Dear Sir:

Re: Saving Canada Post

Further to correspondence received from you, this is to advise that Laird Council passed the following motion:

"That council supports the concerns of Canadian Union of Postal Workers and petitions the Federation of Canadian Municipalities to request the federal government consult with the public about what kind of postal service they need, before allowing Canada Post to make major changes to public postal service."

If you require further information, please contact our office.

Yours truly,

Rhonda Crozier
Deputy Clerk
