Subject: Support for a request made by the Hautes-Laurentides Local
of the Canadian Union of Postal Workers

Dear Sir:

Please find attached a certified copy of a resolution passed by the Municipal Council of Mont-Laurier, which calls on the government to reverse the changes to services announced by Canada Post, and to look instead for ways to increase service and revenues in areas such as postal banking;

And which additionally calls on the parties to resume discussions with a view to finding new, compromise solutions that will not affect the public so directly;

Sincerely,

Blandine Boulianne, Soll.
City Clerk
