CUPW

Attention: Denis Lemelin, National President
377 Bank Street
Ottawa, ON K2P 1Y3

Dear Mr. Lemelin:

Thank you for your letter of September 15, 2014 in regards to your request for support to stop cuts to Canada Post.

Although it is not the policy of the Municipality of Yarmouth to support requests for resolutions from organizations, the Municipality of Yarmouth does support the efforts of cupw to seek consultation from the public prior to major changes to public postal services.

The Municipality of Yarmouth would like to acknowledge support for the efforts of the cupw in requesting that Canada Post engage the public in discussions regarding a long term strategy for the future of postal service in Canada.

Yours truly,
