

# WHICH SIDE ARE YOU ON?

**Your vote matters  
this June 2<sup>nd</sup>**

**cupw•sttp**

Canadian Union of Postal Workers

Workers' voices will be crucial in this year's provincial election. Over the last four years, Doug Ford and the Ontario PC Party have made several changes to how workers are treated in this province. If Ontario reelects the Ford government to a majority it would encourage those regressive changes.

*Or, we can reject those changes by electing a different party with a worker-friendly vision.*

**Every vote counts!**
