Dear Minister Raitt:

Re: Save Canada Post

The council of the Rural Municipality of Reciprocity No. 32 supports the efforts to save Canada Post and has passed the following resolution at the February 12, 2015 meeting of council. We ask for you to take the necessary steps that would continue to provide this much needed service.

Canada Post

55-15. Harrison: that the Rural Municipality of Reciprocity No. 32 is opposed to any reduction of services proposed by the Canada Post Corporation, as it would negatively affect the community's standard of postal services.

Carried.

Sincerely,

Marilyn J. Larsen
Chief Administrative Officer
