CANADA POST – ELIMINATION OF DOOR-TO-DOOR MAIL DELIVERY VS-CE-2014-1024

WHEREAS, on December 11th, Canada Post announced its intention to replace door-to-door mail delivery with community mailboxes (CMBs);

WHEREAS community mailboxes are vulnerable to vandalism and have additional problems in terms of safety, accessibility, litter, snow build-up and the environment;

WHEREAS converting to CMB delivery would be especially hard on seniors and people with disabilities, and could undermine their health and safety, as well as their ability to live independently;

WHEREAS door-to-door delivery helps build strong communities by providing a service that supports local businesses and residents;

WHEREAS there has been very little consultation over this major change in mail delivery;

THEREFORE, BE IT RESOLVED:

THAT the City of Saguenay send a letter to the Minister responsible for Canada Post informing the Minister that it wants to keep and expand door-to-door delivery and requesting that the government consult with Canadians about what kind of postal service they need before allowing Canada Post to make major changes to public postal service.

Carried unanimously.

I confirm under oath of office that the above excerpt is a true copy of the resolution adopted by the Executive Committee of the City of Saguenay at its special meeting on August 21, 2014.
