Denis Lemelin, National President
Canadian Union of Postal Workers
377, rue Bank Street
Ottawa, Ontario K2P 1Y3

Dear Mr. Lemelin:

Re: Request for Support to Save Canada Post

Thank you for your letter dated January 15th, 2015. At the regular meeting of February 10th, 2015 Council had the opportunity to review your request.

The Village of Slocan would like to express our sincere support to continue local postal services. Included in the list of communities with populations less than 10,000, Slocan would be greatly affected by this deregulation. The proposed changes would greatly impact our seniors, small businesses, local service groups and many others who rely on the service; and would result in the loss of employment for those who work at our local postal outlet.

If you have any questions or require anything further, please do not hesitate to contact this office.

Yours truly,

Jessica Lunn
Mayor
