## **BROTHER ANGELO COLACCI**

### **FOR**

## **CANADA POST PENSION ADVISORY COUNCIL**

The National Executive Board is asking you to vote for Brother Angelo Colacci to be the representative to the Canada Post Pension Advisory Council for all Active Members.

We have a defined benefit plan. This is the most safe and secure pension plan. Currently, governments and employers are attacking defined pension plans.

We need a representative on the CPC Pension Advisory Council who will work to protect and improve our plan. Brother Colacci has the understanding and tenacity to protect and defend our plan.

### **EXPERIENCE**

Brother Colacci has served as the Scarborough Local Secretary-Treasurer for 27 years. He has extensive experience dealing with members benefits and pensions. He has taken and co-facilitated courses regarding members' benefits, pension and retirement planning.

Brother Colacci has excellent working knowledge of the Pension Plan from its origin to the current Canada Post Pension Plan.

### **ASSET TO CUPW**

We need someone with the experience and commitment to be the representative for all active members. Brother Angelo Colacci is that person!

In solidarity,

Beverly Collins  
National Secretary-Treasurer.
