

Chapter 2 - Mobile Routes

Basis for Structuring

The following are applicable only to Mobile Routes served by Mail Services Couriers:

- An "Inventory of Points of Delivery " form 33-082- 038 is to be prepared for each route, in the same manner as for a motorized letter carrier route; For procedural guidelines and instructions, see the Letter Carrier Route Measurement System Manual, Chapters 1 to 9;
 - Where practicable, mobile routes shall be converted to motorized letter carrier routes;
 - For procedural guidelines and instructions for establishing motorized letter carrier routes, see the Letter Carrier Route Measurement System Manual, Chapter 15.
